Insured's Name:

Insured's Address:

Address this questionnaire applies to:

1. Is there a reverse slope driveway (sloping downward) or below grade garage on the premises? Yes No
If no, continue to the next question.
If yes, and customer is eligible for Overland Water, apply surcharge in the system
2. Are there any buildings on the premises less than 100 metres (328 feet) from a river or other flowing body of water with a usual width greater than five meters (16.5 feet)? Yes No
If no, document the notes and return to system questions.
If yes, continue to next question.
3. Does the lowest level of the building(s) have an elevation of ten metres (33 feet) or more above the normal water level of the river? Yes No
If no, refer to underwriting.
If yes, document notes and return to system questions.
